SCHEDULING ORDER

13 On April 18, 2025, the Court held a status conference with the parties to discuss issues
14 related to the discovery schedule. After considering the parties' joint status report (ECF No. 221)
15 and the discussion at conference, the Court amends the discovery deadlines in this case as follows:

Event	Date
Deadline to File Motions re Pending Discovery Disputes	May 2, 2025
Deadline to File Motions re Any Other Discovery Disputes	3 weeks after Judge Cousins resolves all pending disputes
Close of Fact Discovery	July 18, 2025

22 In addition, from the date of this Order, Plaintiff Alasdair Turner may not serve any new
23 discovery (document requests, written discovery, deposition notices, or otherwise) without leave
24 of court. This restriction does not prevent Plaintiff from following up on already-served
25 discovery, including filing discovery motions consistent with the deadlines above.

26 As the Court has already granted several extensions, the Court is not inclined to grant
27 further extensions of global discovery deadlines absent highly compelling reasons. To the extent
28 any modifications of the deadlines for the filing of discovery motions are prudent or necessary, the

SCHEDULING ORDER

1 Court **REFERS** the authority to modify those deadlines to Judge Cousins. Further, to the extent
2 that any of Judge Cousins' discovery orders require discovery activity past the close of fact
3 discovery, the Court **REFERS** the authority to extend discovery for discrete issues to Judge
4 Cousins.

5 **IT IS SO ORDERED.**
